

City of Elk River

ELK RIVER COVID-19 BOOSTER and FLU VACCINE CLINIC

We will be having our **Covid-19 Vaccine Booster** shot clinic on December 1st at City Hall. **Flu shots** will be available for those that want them. You can get both shots at the same time. **Everyone on our prior list will be contacted.** If you weren't on the original list but would like to receive one or both of these shots, please call Diana Olson to sign up, (208)826-3628. You need to be an Idaho resident. If you have never been vaccinated for Covid-19 you would receive your first Moderna shot here and then get your second shot at the Clearwater Canyon Pharmacy in Orofino. If you received something other than Moderna for your original COVID vaccination it is fine to receive the Moderna booster.

The Covid-19 shot will be of no cost to you. Your insurance, Medicare or the Cares Act will cover it. Please bring your Medicare red, white & blue card or private insurance information with you.

The flu shot will be covered on your Medicare card. Other flu shots will be \$35 unless you pre-cover it with your private insurance.

If you need a ride to City Hall and back home, please let Diana know. Masks will be required during your appointment. We will have masks available.

Please take advantage of this opportunity!

Mayor Dave
