## Mayors Update October 2022

The **SHOOTING RANGE** is up and running! It's being used as we speak. What a great group effort! Our artist and builder is Rebekah Lillie. She did an amazing job and put in many hours. I was just her helper and gopher. Christina helped with the resin pouring and curing. Randy and Hawk fixed the road work and site preparation. They also put up the targets. Brad Dorendorf helped set up the bench. Dave Hamilton went out and cleaned up the area to help get the site prepped. The Syringa Club bank rolled the project. Thank you everyone! I also want to thank those that have donated to this cause! We met our initial budget but are still short. (The resin itself was \$380). We are still **accepting donations at City Hall** and anything you can do is greatly appreciated! We have signage coming next week. Make checks payable to "Syringa Club".

We will be having our **Covid Vaccine Booster** Clinic at City Hall on Wednesday, October 26<sup>th</sup>. Clearwater Canyon Pharmacy and their team will be here again to administer the vaccinations. Flu shots will also be available for those that want them. We will try to contact everyone on our original lists but there have been several changes since the last Clinic. If you don't get a call, please call Diane Olson to sign up and get a time scheduled, **208-826-3628**. If you received something other than Moderna for your original Covid vaccination it is fine to receive the Moderna booster. If you need a ride to and from City Hall please let Diane know. These Clinics have been very successful and hope you take advantage of this opportunity!

The **TRUNK OR TREAT** Halloween event is being put on by our Library on October 22<sup>nd</sup>. Please sign up for this at the Library or City Hall.

As wonderful as our Indian Summer weather is, and I sure don't want to jinx us, but winter is coming. That 4 letter word – SNOW...let's make sure all non-primary use vehicles, trailers, RVs and all other possible obstacles are cleared from all city right of ways.

Thanks for listening!

Mayor Dave
