TO WHOM IT MAY CONCERN;

We will be holding a fundraising auction for the Elk River Volunteer Fire Department on **April 29, 2023**. We are looking for entities and businesses that are willing to donate merchandise or gift cards/certificates to auction off, either during the silent or live auction that day. Thank you for your support in this great cause.

All amounts raised during this fundraiser will go towards our new fire hall for the Elk River Fire Department building and maintenance.

We would appreciate any donation, whether tangible or monetary to go towards this effort.

If we could have all donations in hand by **Monday, April 24, 2023** that would be appreciated.

You can contact the following individuals to coordinate delivery/pickup of the donation:

Kami Nibler (208) 826-3301, DeEtta Mitchell (208) 669-2476, Leesa Semler (509) 336-9780.

Thank you!
